

INNERSTATE DISCUSSION GUIDE

1. How has rheumatoid arthritis (RA), plaque psoriasis, or Crohn's disease affected your life?

2. Did INNERSTATE change your views on RA, plaque psoriasis, and Crohn's disease? If yes, how so?

3. Do you feel this film differs from other efforts to raise awareness about living with RA, plaque psoriasis, and Crohn's disease? If so, how?

4. What kind of role do you think your doctor should play in managing these conditions?

5. Would you do anything differently after watching this film? If so, what?
